Jaycees See Film On Army Aviation

The Elba Jaycees held a general membership meeting last Thursday night with 37 members and guests present. Guest speakers for the evening were Major Napier, Commander of TAC-land Major Nollinell, Operations Officer at TAC-1. They showed a film on Army Aviation and discussed the work going on at TAC-1, a major auxiliary field of Ft. Rucker.

Among the guests were Jimmy Grant, state president of the Jaycees, and a number of the wives of the Jaycees.

Senator Ray Tolley, was elected this week to the State Building Commission.

City Council Holds Regular Meeting

The Elba City Council held its regular meeting at the City Hall Monday night. All members were present. The license was imposed to balance an unfairness to the established merchants who pay these licenses and taxes.

The Troy Collegiate Singers, a 60-voice mixed chorus, will give a concert in Fort Rucker's Division Theatre Tuesday, May 16, at 6:30 P.M. The choral group will be under the baton of Dr. Charles Farmer, director of music at Troy State College. Admission will be free and is open to the public.

NEW LIBRARY EQUIPMENT - Mr. George G. Johnson, center, from Cross Trails Regional Library, visited the Elba Public Library last Friday afternoon and placed in the library a new set of Encyclopedias, a record player and a film strip projector. The record player, projector and screen will be checked out to adults for their use on special occasions. Some classical records are also available with the record player. Pictured with Mr. Johnson are Probate Judge J. O. English and Elba Librarian Mrs. Glennie Smith.

WINNERS - Mr. and Mrs. George Hall, Elba, were the proud winners of the new electric oven given away during the grand opening of Plant Plumbing and Appliance last weekend. Pictured with the Halls is Mr. L. B. Plant, right, one of the owners of the new business.

Death Claims Lifelong County Resident

James Gardner Clark, Sr., a lifetime resident of Coffee County, died on May 12th, in a Montgomery hospital at the age of 80. Mr. Clark's father, the late George W. Clark, homesteaded 160 acres of land in the Alberton Community of Coffee County in 1885, and his son, Gardner, was born on this farm in 1867.

Mr. Clark graduated from Draughton's Business College as an accountant and entered the mercantile business in 1912 with two of his schoolmates, Mr. William Cain and Mr. V. J. Elmore. This business continued until 1921.

Clark began his farming career early in life and pioneered many firsts in Coffee County. He served as tax assessor of Coffee County from 1945 until 1950 and since that time he has devoted himself to his farming and livestock interests in Coffee County and Perry County. He was active in his farming until recent weeks.

Survivors include his widow, Little Lee Clark; children, Mrs. Nellie C. Hause, Montgomery, James G. Clark, Jr., Selma, Charles L. Clark, Birmingham; brothers and sisters, W. Hathan Clark, George W. Clark, Jr., Aud Clark, Miss Anna Clark, Mrs. Mary Lou Dean and Mrs. Celia Smith, all of Kinston, Berry Clark, Opp, Claud Clark, Andalusia, and Jack Clark, of Winter Garden, Florida; and eight grandchildren.

Honorary pallbearers were members of the Baracca Sunday School Class and old friends which included Judge J. O. English, John F. Brunson, Fountain Lee, of Elba, and O. P. Lee, of Opelika.

Active pallbearers were Dr. J. H. Clark, Elba; Robert Dean, Selma; Jeffery Smith, Kinston; Clark Mainwaring, Kinston; Fred Clark, Montgomery; Robert Ellis, Samsom; Warren Ellis, Opp; and William Ellis, Opp.

Tuesday, May 30, 1967, (Memorial Day) will be observed as a holiday by the Elba Post Office, according to Postmaster Robert Cooper. No window service will be provided on this day. There will be no deliveries by city or rural carriers on this day.

Normal holiday service will be provided in putting mail in lockboxes and receipts and dispatch of mail will be the normal holiday receipts and dispatches. Mail will be received at 7:30 A.M. and should be everyone.

Local Girls Win Troy Scholarships

President Ralph W. Adams of Troy State College has released the names of seven high school Valedictorians and of ten Salutatorians who have been offered and have accepted scholarships at Troy State College.

Among the Valedictorians to accept is Rita Ann Smart, of Zion Chapel. Miss Smart was an outstanding student academically and socially throughout her high school career. Among the ten Salutatorians to accept were Charlotte McCall, Elba, and Ollie Sue Craft, Zion Chapel.

In high school Miss McCall was Junior class treasurer. D. A. R. Good Citizenship girl, vice-president of the Beta Club, Vice-president of the French Club and class

HAPPY TIMES KINDERGARTEN graduating class of 1967 is shown here in their caps and gowns. They will graduate tonight (Thursday) at 7:30 in the Elba High School Auditorium. A highlight of the evening will be a presentation of "A Party in Mother Goose Land" to be presented by the children. The class consists of: front row left to right, Joey Brunson, Vince Bowers, Byron Parrish, Lisa Reeves, Tracy Brooks, Kerry Nelson, Kay Boswell, Michael Reeves, Pam Wilkerson; second row, Marie Jones, Cindy Morgan, Beverly Hargrove, Rhonda Knight, Eddie Kelley, Jennifer Ennis, Susie Bruce, Jay Harper, Cindy Jacobs, Richie Brown, Villa Owens and Teresa Hines. Miss Stevens Has Painting Published

Miss Kay Stevens, daughter of Mr. and Mrs. Robert Stevens, has been honored by having a painting published in a book titled "Art of Young America".

At the request of Miss Sylvia Jones, teacher, Elba High, Kay submitted two paintings for judging and was notified recently that one had been accepted for publication.

New Chevrolet Dealer To Open

Cook Chevrolet has announced this week that they will have their Grand Opening Saturday morning at 10 A.M. beginning with a ribbon cutting by Mayor L. P. Mullins.

Drexel Cook, owner, has stated that there will be prizes given and refreshments and favors for everyone.

Chamber Of Commerce Discusses County Funds

The Chamber of Commerce held its regular monthly meeting on Tuesday night at Paul's Cafe. President Charles Ellis presided and heard a discussion on the soft drink bottle problem in Elba.

Mayor Mullins reported the broken bottles had cost the City \$325 in the last week. He stated that this was just one week's cut tires and that citizens were constantly having trouble with this. Ellis referred the problem to the Health and Welfare Committee for further study.

In other business, President Ellis told the Chamber members of the current squabble between some of the citizens of District 4 (Enterprise) and the County Commissioners. He stated that the people of Elba could do one of three things about this. 1) They could just sit back and let someone else resolve this problem. 2) They could jump up and say no! no! no! and have a dog eat dog situation that would cause conflict and hard feelings that would destroy the County as a successful unit. 3) They can appoint a committee to study the problems of County government and the present and future needs of the citizens and after discussion with other

similar committees in the county, offer suggestions to the Commissioners for the betterment of all of Coffee County.

Ellis entertained a motion to appoint a committee to study the county government and announced that the members would be open to suggestions from the public and that this action was

DON BOWDEN SPORTSMANSHIP AWARD given annually to the outstanding senior athlete is presented to Rickey Parker, son of Mr. and Mrs. Tim D. Parker in ceremonies at Elba High School last week. Presenting the award is school principal, William T. Jones.

SINCE THE REMODELING of my house on North Sixth Street, in Florida, has been completed with the exception of small details and the hanging of drapes, etc., we have been there a good deal lately, especially the grandchildren and I. Our time spent there is mostly after school hours in the afternoon.

I don't know if going to school creates appetites or not but the minute they get to their home or my house they start eating. Most of the time they go home (for about an hour after school) and then they go to my house. They have the first afternoon snack at home, another at my house and then if we come to the office they think they are supposed to have another one.

Tuesday afternoon, after having their regular snack at home, they had eaten my two pound box of Mother's Day candy, and were on our way to the office. I told them they could just stop that snack there and anyway it was expensive and that I knew they did not want their daddy to have to go to the poor house. Everything was real quiet for awhile when Sonya broke the silence with "what is the poor house?" and I told them that was where poor people go. She then wanted to know what is "being poor?" and I told her "You don't have any money." Now they are real concerned that their daddy does not have to go to the "poor house." So maybe we can stop them from eating that third snack for a few days. Anyway until they get over the fright that their father may have to go to the "poor house."

We're really enjoying the house. There do not bother anyone. Apparently a number of people are concerned as to what I am going to do with the house. We will not be actually living there all the time but will be there much of the time. We call it "mine and the children's playhouse." And for those who are interested, it was not only my idea but Mack was equally as interested in having our "playhouse." I think he is happy to get us from "underfoot" for at least part of the time. I don't think he has the "move me" look, stock and barrel. He said I was the only person he knew who could "have their cake and eat it too," whatever that means.

Mr. John Taylor is residing in the new Flowers Hospital, Dothan, following recent surgery.

IT WAS MY opinion in the beginning when so many junior colleges began cropping up that it could completely keep the facts from the people by smothering the press and its reporters but at this time it has not arrived and lets hope that it never does.

SINCE THE REMODELING of my house on North Sixth Street, in Florida, has been completed with the exception of small details and the hanging of drapes, etc., we have been there a good deal lately, especially the grandchildren and I. Our time spent there is mostly after school hours in the afternoon.

But social security is not just for older people. Mr. Scott pointed out. There were 508 young widows and children in Coffee County receiving benefits amounting to \$25,229 at the end of December. Also disabled workers and dependents were receiving benefits at a monthly rate of \$19,765.

Practically every young family has survivors protection under social security that can be worth \$75,000 or more, and equally valuable disability insurance protection.

The average worker, he said, can expect to collect more than the value of his social security tax contributions just in the benefits payable to him and his wife in retirement. If he does not live to retirement, his family stands to collect far more than the contributions he has paid; and the same will be true if he should become totally disabled for work before 65. Monthly payments to the family of a worker who dies, leaving 2 or more children, can range from \$66 to \$368 a month, depending on the worker's average earnings under social security.

If you are redecorating your home, consider using vinyl wall covering. It can be wiped off with soap and water and is not affected by water, oils, or food acids.

Lindsey Farms Named To Hereford Group

Gareth Lindsey Farms, Elba, Alabama, were recently named to membership in the American Hereford Association, the world's largest purebred registry organization, with headquarters in Kansas City, Missouri.

Ninety-five Hereford breeders were placed on the Association's official roster recently. The Association maintains active accounts for more than 60,000 breeders of registered Herefords over the nation.

The Hereford Association, during the last fiscal year, recorded 467,573 purebred calves.

Sixteen UH-1 helicopters, 105-mm howitzers and 96 men will stage an air assault at Ft. Rucker's Cairns Airfield as one of the attractions during a giant air show Saturday, May 20, celebrating Armed Forces Day.

Twelve UH-1 helicopters will bring in the troops as four gun ships move into the area to protect the craft and troops with suppressive fire.

The soldiers, from the 53rd Aviation Battalion, will be dressed in full combat garb, and the gun ships will be armed with blank ammunition to lend an air of reality to this demonstration used daily in Vietnam.

A CH-47 "Chinook" will deliver 105-mm howitzers for artillery support. The hour-long air show also will feature the acrobatic flying of Beverly II, Howard, high altitude-low opening parachute jumps and demonstrations of various Army aircraft.

Immediately after the air show, there will be a presentation of "Up With People," a musical production staged by 120 college and high school students at 10 A.M.

Armed Forces Day activities begin at 8 A.M. with static displays at Cairns. The air show is scheduled at 9 A.M., following a 15-minute concert by the 98th Army Band.

After the air show the public may inspect the aircraft and talk to the flight crews participating in the show.

At the end of 1966, 3,284 men, women, and children in Coffee County were receiving benefits at a monthly rate of \$19,765.

Fire Ants Cost Millions

According to W. A. Ruffin, Chief Entomologist, State Department of Agriculture and Industries, the imported fire ant has become a \$100 million liability to agriculture in the State of Alabama.

Ours, the first of 12 Southern States to be plagued with this pest, has approximately 20 million acres infested with ants at the present time.

Except for ten counties situated mainly in the Northeastern part of the State, there is no portion of Alabama which is not now suffering from this plague. The line has been held at this point only because of the utilization of

certain limited State funds set aside by the Legislature for this program, as well as funds made available by the Plant Pest Control Division of the U. S. Department of Agriculture in the State of Alabama.

Despite these efforts, the job of total eradication has only been started. It is evident, then, that this is not merely an Alabama problem, but one requiring national attention. Unless greater effort is focused in this area, projections indicate that the entire South will be infested by 1970 and the country as a whole in a matter of years will feel its impact from coast to coast as far North as the Great Lakes. No wonder State legislators, as well as Congressmen, are becoming more and more concerned over this problem.

The imported fire ant is not a hazard to many animals other than man, but anyone who has been

Attend The Church Of Your Choice Sunday

Fence-sitting isn't the safest occupation for the small fry, even if it is fun.

But fence-sitting for grown-ups is neither safe nor fun!

A man has to take a stand. He must let the world know his convictions. He must live them!

The principles in which we believe can perish while we dawdle uncommitted, uncertain or unchurched.

Behind the iron curtain men who are determined to overthrow freedom and faith hide neither their communism nor their atheism.

Here in America on a Sunday morning; no man can afford to sit on the fence if he believes in God, and in the right to worship Him in the Church of his choice.

Cancer Society Warns Of Danger To Americans

When you know that some 73,000 men and women in the United States will develop cancer in 1967, you should take stock of yourself. So says the American Cancer Society.

Do a little personal auditing — not of your finances but of your health. When you know that about 48,000 died of cancer of the colon and rectum in 1966, you should again take stock — not only of yourself but of the facts.

The facts are: almost three out of four of all patients who develop cancer of the colon and rectum might be saved today by earlier diagnosis and proper treatment. What is even more significant, many cancers of the colon and rectum might be prevented.

This is why the American Cancer Society placed control of cancer of the colon and rectum, which now accounts for approximately 15 per cent of all deaths from cancer, on its five-year minimum achievement program.

"This program," says the ACS, "is now in its second year, and seeks to have a proctoscopic examination made a part of at least 30 per cent of all periodic health checkups of men and women, especially over 40. This could lead to a large drop in death rates from cancer of the colon and of the rectum."

"The 30 per cent goal

is 70 per cent below ideal. But the Society has fixed its sights on what it believes can be achieved by 1970.

"On the surface, the problem of reducing the number of deaths from cancer of the colon and rectum seems obvious. But that does not allow for human nature which often seems to divert man from self-preservation.

"The proctoscopic examination, commonly called the 'procto' examination, enables a doctor to examine visually the walls of the lower colon and rectum for possible cancer. Thus, in most instances, cancer can be found long before a person is aware of a change in bowel habits, bleeding or pain, all signs of possible cancer in this site. It is estimated that almost 75 per cent of all

rectal and colon cancers can be detected by proctoscopy.

"One's chances of being saved from death from cancer of the colon and rectum are best when it is detected before any warning appears.

"Since cancers of the colon and rectum take the lives of more men and women in the United States than any other kind except lung cancer, the proctoscopic examination is a 'must' in any sound and realistic health program."

Summer School To Begin June 19 In Elba

The Elba City School Board will offer a summer school session to all students able to all students at both 19, 1967. Summer school is a special educational program for which Federal funds are available, and will be conducted without segregation. Normal Free Choice desegregation procedures will not be applied to this program. Procedures for conducting summer school are adopted to assure compliance with Title VI of the Civil Rights Act of 1964 by the Elba City School Board.

Mr. Elmer Taylor and Board Attorney, Fleetwood Carney, attended a hearing on Friday, May 12, 1967, in Washington, D. C., which was set for the purpose of determining whether or not Elba City School Board was in compliance with Title VI of the Civil Rights Act of 1964. The proceeding was initiated by the Office of General Counsel, Department of Health, Education and Welfare, had previously given notice that federal funds for all new activities and programs were deferred. No decision has been made by the Hearing Examiner, but the matter was continued for the purpose of providing attorneys the opportunity to submit briefs to the Hearing Examiner. No funds will be terminated until a decision is reached by the Hearing Examiner that Elba City School Board is not in compliance with Title VI of the Civil Rights Act of 1964.

Mr. Taylor, Superintendent of Schools, announced that courses of instruction will be available to all students at both Mulberry Heights and Elba High Schools. A more detailed announcement will be made at a later date.

Assessors Records Are Open To Public

The County Tax Assessor, Fred Donaldson, wishes to remind all property owners that the assessment records in the office are public records and are open for inspection at all times. He or the clerk will assist you in obtaining such information as you desire from these records. He also calls your attention to the fact that the date for filing objections relative to your assessed valuation for the 1967 tax year, this date is fixed by the laws of the state. The law also requires that protests be filed with the Secretary of the Equalization Board. You may file, in person, or mail direct to the Equalization Board at Elba, Alabama.

Baptist Choirs To Sing Together Sunday Night

The Music Ministry of First Baptist Church will present a combined choir program Sunday, May 28, at 7:30 P.M. All five choirs will be singing in the service of worship, with each choir singing several songs or anthems, and combining with other choirs for the call to worship and closing anthem.

The enrollment of the choirs has increased during the past year and now a total of 135 people are enrolled in the five choirs.

The choirs, with their directors and accompanists are:

Beginner Music Activity (four through five year old) Mrs. Milton Lites, Director; Mrs. Lamar Foley, Accompanist.

Primary Choir (six through eight year old) Milton A. Lites, Director; Mrs. Milton Lites, Director; Mrs. James R. Martin, Accompanist.

Junior Choir (nine through twelve year old) Milton A. Lites, Director; Mrs. George L. Collier, Accompanist.

Youth Choir (thirteen through eighteen year old) Milton A. Lites, Director; Miss Suzanne Prior, Accompanist.

Adult Choir - Milton A. Lites, Director; Mrs. Paul King, Accompanist.

The public is cordially invited to attend this hour of worship and to enjoy a period of fellowship following the program.

High School Graduations Planned

Graduations are scheduled at three of our local schools this week. The Zion Chapel seniors will graduate on Thursday night (tonight) at 8:00 in the school auditorium.

The Elba High seniors and the Kinston seniors will graduate on Friday night at 8:00. The Elba graduation will be held on the football field with Glenn Bedsole delivering the main address and Ricky Parker, class president, delivering the welcome address.

The Kinston graduation will be held in the high school auditorium.

**Westside Sats
Plans For
Bible School**

Vacation Bible School begins at Westside Baptist Church on May 29th. Children of all ages through 16 are urged to attend and carry a friend.

A LOT OF FISH were caught by this trio last Thursday night from Lake Eufaula using minnows as baits. This was 155 Crappie and Blue Gill. Holding the fish are from left: J. J. Skinner, Billy Meeks and J. Doug Kendrick, all of Elba.

NATIONAL POLICE WEEK is being observed this week and there is no better time than the present for everyone to stop and pay tribute to the Elba Police Department for the job they are doing.

These men go about their work day and night, rain or shine, weekdays and holidays 365 days a year, and often they, as with all police forces, only hear from those who are thankful and not from those who are ungrateful for the police do. They are available for any emergency, and yet

their main effectiveness is through prevention of crime. The Elba Police Department is composed of: J. J. Harbuck, and Oscar Harbuck, radio operators; Derrell Green and Joe Costen, patrolmen; standing, Gary Ham, assistant chief; Bo Dunaway, chief, and Oliver Peterson, patrolman. These men work long hours and honestly deserve at least a simple thank you or a bouquet of flowers occasionally. Also due a note of thanks at this time is Sheriff H. D. Tillman, Deputy D. B. Adkinson and the Alabama Highway Patrol.

Medical Self-Help Planned

The Coffee County executive board members met recently to discuss plans for carrying out the county-wide project of medical self-help training.

Mrs. Glenda Spann, County Health Nurse, met with this planning committee to outline ways which this activity could best be accomplished.

Each of the sixteen Extension Homemakers Clubs in the county will receive a training kit. After all club members have been trained, the next objective will be to extend this training to other interested groups or persons.

Mrs. Spann pointed out that Coffee County ranked eighth in the state percentage wise with the number of people trained in the medical self-help program.

This project will get underway within the next few months. Mrs. Mabel Fleming, vice president in charge of the county-wide project, will make a final report in December.

Billy Graham Movie To Play Here Four Days

"The Restless Ones," this feature-length film deals imaginatively and dramatically with the teenage crisis. With the background setting provided by the 1963 Billy Graham Los Angeles Crusade, and artfully woven into the story pattern, "The Restless Ones" is a hard-hitting, bold approach to our social problems.

As one reviewer said, "There is a picture that tells the world the truth and comes up with an answer, not an easy answer, but an answer from beyond us." This answer will satisfy, challenge and inspire young and old alike and will appeal to churchgoers and to the non-churchgoers. The Christians who gave of their time and energy to help save lives from cancer now and to speed the eventual conquest over the disease.

Initial reports indicate successful results in Coffee County's 1967 "C-Week" Crusade, according to Chairman Joe Bruce. Reports turned in show more than \$800.00 raised in the residential solicitation, and many areas are yet to report.

The chairman expressed appreciation both to the volunteer crusaders "who gave untrillingly of their time and energy to help make this Crusade a success."

He also thanked the large number of contributors "who gave of their resources to help save lives from cancer now and to speed the eventual conquest over the disease."

Grand Opening At Cook Chevrolet

The upper photo shows Judge Eric Paul, left, handing Mayor L. P. Mullins the official scissors to cut the ribbon signifying the official opening. Looking on are Mr. and Mrs. Drexel Cook, owners of this new business.

Just prior to the ribbon cutting, Mayor Mullins presented Mrs. Cook with a gold key to the city to show the official appreciation of this new business in Elba.

Lower Photo shows Sales Manager Gene Marler showing a group of visitors the new modern facilities and the new Chevrolet. Pictured with Marler are Mrs. Jake Morrow, Miss Zedie Rowe, Mrs. T. T. Rhoades, Miss Totyse Rhoades, Mrs. James Devane and Sam Devane.

Draft Call Increases

State Director Hugh J. Caldwell, Jr., recently issued a June Selective Service call for 690 registrants to fill Alabama's quota of 400 men - a hike of 14 inductees over May.

The May national call was for 18,000 men, compared to 19,800 in June. All men called will go to army duty.

Some married men, but no fathers, will be included in the June call. It will be made up of registrants 19-years old and older, in classes I-A and I-A-O, examined and acceptable. County-by-county, the call includes 7 from Coffee County.

CIRCLE K SWEETHEART - Margaret Wilson, daughter of Mr. and Mrs. Leon Wilson, Jack, accepts recognition as the first "Sweetheart of Circle K" at the charter night banquet of the Enterprise State Junior College Circle K Club. Presenting the loving cup is Faculty Advisor Joseph Autrey.
